Assisi E.M.H.S School, Kanjikode, Palakkad

TECHNICAL SKILLS

- HTML5
- CSS3
- JavaScript, AJAX, jQuery
- Bootstrap
- Git, GitHub
- C Programming
- Java

PROJECTS

1. PORTFOLIO WEBSITE

Project Link: <https://sreeharipdsy.github.io/My-Portfolio-Website>

Built Using: HTML5, CSS3, JavaScript, jQuery, AJAX, Bootstrap, AOS, Google Fonts

GitHub Link: <https://github.com/sreeharipdsy/My-Portfolio-Website>

2. COMPANY WEBSITE

Project Link: <https://sreeharipdsy.github.io/secucenter-project>

Built Using: HTML5, CSS3, JavaScript, jQuery, AJAX, Bootstrap, AOS, PHP, Google Fonts,
Local by Flywheels, WordPress

GitHub Link: <https://github.com/sreeharipdsy/secucenter-project>

- Designed and developed responsive websites using HTML, CSS, and JavaScript, incorporating Bootstrap framework for streamlined layout and styling.
- Implemented animation libraries aos, anime js to enhance user experience and engagement on websites.
- Utilised WordPress development tools like Local by Flywheel and PHP to convert static websites into dynamic WordPress sites, ensuring scalability and ease of content management.

3. BOOKING WEBSITE USING AJAX

Project Link: <https://sreeharipdsy.github.io/Dream-Bake-Project>

Built Using: HTML5, CSS3, JavaScript, jQuery, AJAX, Bootstrap, AOS, Google Fonts

GitHub Link: <https://github.com/sreeharipdsy/Dream-Bake-Project>

- This project is creating a cake booking website that utilises AJAX form submission for seamless data transmission.
- This website includes a form for users to input booking details, such as cake preferences and event dates. Upon submission, AJAX facilitates the real-time transfer of this data to a Google Sheets spreadsheet, effectively linking user email IDs with their booking information.
- This integration streamlines the booking process and allows for efficient data management between the website and the Google Sheets platform.

CERTIFICATIONS & ACHIEVEMENTS

IoT (Internet of Things) Development - A Grade

Professors Academy & IT Services, Tamil Nadu

Feb - March 2023

Web Designing Competition - 1st Prize

Nehru Arts & Science College, Coimbatore, Tamil Nadu

April 2022

Tech Hackathon - Participated
